Welcome to South Sound Church!

We're so glad you're here! If this is your first time at SSC we want you to know how thrilled we are you chose to worship with us. We would like to get to know you and ask you to please take some time to fill out the Connection Card. You can drop the card in the offering basket at the close of the service. Also, please be sure to stop by the guest table on your way out, we would love to meet you and have a gift for you to say, "thanks for visiting SSC."

We pray God blesses you as we worship today.

- Parents and children sit together for Family Worship and will be dismissed for classes during the service. Please be sure to sign-in children, and sign them out when you pick them up at their classrooms.
- Please do not feel obligated to participate in the offering. The offering is designed for regular attendees who consider South Sound their home.
- Hearing receivers are available for those who need hearing assistance. You can pick one up from the sound technician.

We all long to be connected with friends. We long to know and be known by God. We long to make a difference. That's what SSC LifeIMPACT Groups are all about. Friendships are formed by being part of an 8 to 12 week time of fellowship and sharing God's Word together, serving one another, and serving God by reaching out to others that need Jesus. Groups begin next week and there's a group for everyone. See today's insert for group information.

Please note:

2011 Contribution Statements are available and can be picked up at the Connecting Center.
