

3/4/2009

Hello Guys,

The Lord continues to bless us with opportunities to reach out to the community and demonstrate his love through our works!

We are looking for volunteers to help finish the rebuild of this flood damaged house in Centralia.

The owners have been hard at work on this project for over a year. This weekend's tasks include;

- **Install (3) Bathroom Vanities & Linen Closet** - [supplies needed shims, stud finder, electric drills, work lights](#)
- **Gravel Truck should be arriving around 12pm** - [needing gloves \(I should have plenty of rakes & shovels\)](#)
- **Removing sheet rock material debris from house & loading directly into dump truck/cleaning floors** - [needing gloves \(I have dust masks\)](#)
- **Electrical Outlets & Light Switches** (trying to setup time this week with local electrician to get discounted outlets & a quick training on how to connect outlets) - [needing wire strippers](#)

Please feel free to bring any other tools or materials that you can think of that may be of use with the projects outlined above.

Lunch and beverages will be provided.

If you would like to join us, please call or e-mail me;

Gregory D. Hinkle

PH: 360-888-9268

Email: gregory.hinkle@homestreet.com

Remember to watch the website for future or upcoming projects!

sscc@southsoundchurch.org

March 14th, we are planning on beginning the installation of the kitchen cabinets & electrical fixtures, if you know of anyone that has experience in those areas.

God Bless!

Greg
